**To Mrs. Marina Loshak  
Director of the Pushkin State Museum  
of Fine Arts**

Dear Mrs. Loshak,

It was with deep sorrow that I learned unfortunate news on the demise of Irina Antonova, whose name has been tied forever with the Pushkin State Museum of Fine Arts and the Russian culture. Her life became an era, a symbol the Russian art and enlightenment. For all of us it is the honour being her comtemporaries and cooperation with the Museum is respect to the work she had begun.

The Embassy of the Arab Republic of Egypt to the Russian Federation and the Cultural Bureau of the Egyptian Embassy conveys its sympathy to her family and colleagues. We share this grief together.

Please, dear Director, accept the assurances of my highest consideration.

Sincerely yours,

**Ihab Nasr**
